Agricultural Scrap Tire Drop-Off Events – 2022

The Maryland Department of the Environment (MDE), in conjunction with Maryland Farm Bureau, Inc. and Maryland Environmental Service (MES), will hold a regional agricultural scrap tire collection event during Spring 2022.

- Participation will be restricted to farms located within the boundaries of Calvert, Caroline, Cecil, Kent, Queen Anne's, St. Mary's, and Talbot Counties.
- The event is open to both Maryland Farm Bureau members and non-members.
- No businesses or individual citizens may take advantage of the agricultural scrap tire collection event.
- Tires from out-of-state farms owned by Maryland farmers will not be accepted.
- The participating Counties reserve the right to end the scrap tire collection events early when the budgeted amount of scrap tires are collected.

Details of the events are as follows:
